of State, the

Secretary of Defense, and the Director of the Office of Emergency Planning. The act provides that the Secretaries and Under Secretaries of other executive departments and of the military departments may serve as members of the Council, when appointed by the President by and with the advice and consent of the Senate. Under the direction of the Council is a Central Intelligence Agency, headed by a Director of Central Intelligence. The Council staff is headed by a civilian executive secretary, appointed by the President.

ACTIVITIES.—The duties of Council are to assess and appraise objectives, commitments, and risks of the United States in relation to actual and potential military power in the interest of national security.

Director JOHN A. McCONE.
Deputy Director LT. GEN. MARSHALL S. CARTER,
USA.

CREATION AND AUTHORITY.—The Central Intelligence Agency was established under the National Security Council by the National Security Act of 1947 (61 Stat. 496, 498; 50 U. S. C. 403). The Director and Deputy Director are appointed by the President by and with the advice and consent of the Senate.

PURPOSE.—For the purpose of co-ordinating the intelligence activities of the several Government departments and agencies in the interest of national security, the Agency, under the direction of the National Security Council:

1. Advises the National Security Council in matters concerning such intelligence activities of the Government departments and agencies as relate to national security.

2. Makes recommendations to the National Security Council for the coordination of such intelligence activities.

ties of the departments and agencies of the Government as relate to the national security.

3. Correlates and evaluates intelligence relating to the national security, and provides for the appropriate dissemination of such intelligence within the Government using, where appropriate, existing agencies and facilities.

4. Performs, for the benefit of the existing intelligence agencies, such additional services of common concern as the National Security Council determines can be more efficiently accomplished centrally.

5. Performs such other functions and duties related to intelligence affecting the national security as the National Security Council may from time to time direct.

Approved.
